Selectmen's Meeting

OCTOBER 9, 1984 - by VIRGINIA ARRAL

REVAMPING OF ZONING BOARD OF APPEALS CLERICAL STAFF

Because Town Clerk Lois Ennis cannot devote so much of her time to the work she has been doing as secretary to the Zoning Board of Appeals, Selectmen last Tuesday, in a joint meeting with George Heinz, chairman of the Appeals Board, agreed to appoint Mrs. Ennis as an administrative assistant to the board and appoint June Pina as recording secretary.

At a previous meeting, Heinz had requested that June Pina be hired to serve as recording secretary. Selectmen made no decision at that time but asked that Heinz prepare a recommendation and outline the recording secretary's duties.

Heinz outlined the background of the Zoning Board and the setup of secretaries - going back to 1967 when Eloise Sullivan, then secretary to the Board of Selectmen, also served as the Appeals Board's secretary. After she stepped down Lois Ennis took over.

As Town Clerk, Lois takes the original applications at Town Hall, posts the notices and has the notices published, researches the information and sends letters to abutters. "If she wasn't in the Town Hall office

From there into the hearing the recording secretary takes over. "Lately it's been three or four hearings a night; sometimes we are here (in the town hall conference room where the meetings are held) until midnight. We use a tape recorder as a back-up, but we need someone to take notes and take testimony and type up the notes," said Heinz. He continued, "This 'someone' has to be exact and transcribe to the letter of the law. June can do the shorthand and typing, but as of now she is not familiar with the legal aspect of typing the decisions -- we need Lois to do that for now until June can take over."

Heinz explained June Pina sat in on the August hearings to see if she would like the work, so "I couldn't say right away if June would take over". The Appeals chairman noted neither June nor Lois would have any vote in the proceedings. He added that June was paid $3.85 per hour for her work in August. Lois is paid a small sum for her work for the Appeals Board.

Heinz concluded saying, "We need both June and Lois - Lois to take the applications, research the legal aspects and June to record the meetings. If Lois was not available at all, June would have to come to the Town Hall at various times to do this work, thus

necessitating more work and more pay."

Selectman James F. Huntoon recommended the Board of Selectmen appoint June as recording secretary only and appoint Lois administrative assistant to the Appeals Board and stand-by to June, so later the duties may possibly be joined.

Heinz expressed misgivings about what would happen in the future when "you three gentlemen are no longer on the board. You three are O.K., but I feel an appointment should be made by the Chairman of the Appeals Board. It is difficult to find someone who is qualified and who wants to work these odd hours and days - some months there are no hearings,

other months there are three or four in one night. If a future Board of Selectmen did not appoint either June or Lois, the Appeals Board would be in a real vacuum."

Selectman Frank Suzan noted, "You (the Zoning Board of Appeals) recommend -- we (as Selectmen) approve. This is a workable method."

Huntoon said, "If you would list the duties for each appointed person we will go over the list." He added that it's O.K. for a three-year term for the secretarial help.

Heinz informed the Selectmen that the Appeals Board's fees have paid for expenses and the only extra would be for a court case. "However, we have been fortunate that in my nine years on the board we have had a clear record. Our decisions have kept us out of trouble."

A check made in Town Reports disclosed that the Appeals Board has managed to maintain a steady budget over the years -- in 1970 it was $550. and in 1983 it was $545.

In other business, Selectmen:

It is anticipated that impact notices will be sent out in about two weeks, and, hopefully, the tax bills will be sent out in December.

NOTED that the town has 20 hours of time available to it from Southeastern Regional Planning Economic Development District. Selectman Huntoon suggested the team from SPREDD could start at Rochester and check the Mattapoisett River for obstructions and draw a map designating problem areas. Selectman Suzan suggested each town department could be asked if they have any ideas to use the designated number of hours.

ANNOUNCED there will be four public hearings conducted by Zoning Board of Appeals, starting at 7 p.m. on October 18th in the Town Hall Conference Room.

BY PAUL MYERS

"THE MARCH OF FOLLY" ("FROM TROY TO VIETNAM") BY BARBARA W. TUCHMAN

Barbara Tuchman has been called by those most competent to judge, "The best and most successful practicing historian in the United States today". Her books, "THE GUNS OF AUGUST" and "THE PROUD TOWER" were both awarded Pulitzer prizes, and more recently, "A DISTANT MIRROR" (the Calamitous 14th Century) has been widely acclaimed. The latter gets its title from the interesting idea that the tragic events of our time may be seen, as in a mirror, in the calamitous events of the 14th Century.

"The March of Folly" gets its title from the fact that in all the collective endeavors and institutions of mankind none has been less successful than that of government. Why the constantly repeated pursuit by governments (people in high office) of policies and practices contrary to their own best interests? Why does an intelligent mental process seem so often not to function? Observations and questions like these have been made and asked for hundreds of years but never with as much frustration and urgency as now in this last quarter of the twentieth century.

There are many kinds of misgovernment, among them folly, the concern of this book. To qualify as folly, counter productive policy must be seen as such at the time - not by

hindsight; a reasonable alternative must have been available; the folly must be that of a group and not just an individual, and extend over a period of more than one political lifetime. In Chapter I, Mrs. Tuchman deals briefly with several instances of this phenomenon in the long march of history.

Then, using "The Trojans Take the Wooden Horse Within Their Walls" as a kind of model of what she means by "The March of Folly" she proceeds to treat in depth three major chapters in governmental folly and their results. The chapter headings indicate the content: "The Renaissance Popes provoke the Protestant Secession", 1470-1530; "The British Lose America"; "America Betrays Herself in Vietnam". In each one of these examples a basic folly was the absence of reflective thought about the nature of government policy, its ability to bring about the object sought and the present and future harm brought to the nation whose government pursues the irrational policies. Absence of intelligent thinking seems to be universal in the march of folly. The illusion of omnipotence is another basis for folly, and there are still others. Swords and guns, symbols of vast military power, cannot silence ideas, or deflect truth and right and reason. "Wooden-headedness", Barbara Tuchman calls this factor that plays too large a role in government - assessing situations in terms of preconceived, fixed notions - a disregard for reason, and the "Don't-Confuse-me-with-the-facts" syndrome.

Here is a volume that every person who wants to know and understand the tragic times in which we live ought to read - and reread and ponder. It will deepen and strengthen your spirit, and may even inspire you to protest your propensity for folly and seek to enlighten it wherever found, especially in government. This is what democracy calls us to do.

COMMENDED STUDENTS IN THE 1985 MERIT PROGRAM

Old Rochester Regional High School has been notified that six of its seniors have been designated Commended Students in the 1985 Merit Program. Donald H. Murphy, principal, announced recently that James N. Jackson, Brian J. Keene, Stanley Moszczenski, Ann E. Riedl, Thomas J. Shire and Jeffrey Starecheski placed in the top five percent of over one million participants in the 30th annual competition and will receive a Letter of Commendation in honor of outstanding promise for future academic success.

An officer of National Merit Scholarship Corporation (NMSC), which administers the program, stated that, "The exceptionally high test performance of young people who are named Commended Students in the extremely competitive Merit Program is deserving of recognition in their communities. To acknowledge the attainments of academically talented students and to credit schools for the part they play in the development of these youth are important in a nation that values excellence. We sincerely hope that their accomplishments thus far will motivate these students to pursue higher education and to acquire the skills they will need to become productive adults and contributing citizens in a free society."

Participants entered the current Merit Program by taking the PSAT/NMSQT in the fall of 1983, when most of them were juniors. Although the qualifying test scores of the 35,000 Commended Students designated nationwide were very high, they were slightly below the level required for semi-finalist standing in the competition for some 5,500 Merit Scholarships to be awarded in 1985. The 15,000 semi-finalists in this year's competition were announced publicly by NMSC on September 13.

Only the Molyneux craftsmen could produce a mantel clock with the elegance of the Bancroft. Crafted of Mahogany in their Puritan finish, its most striking feature is the large sunburst crest rising up to a square crown. Four pieces of beveled glass add a luxurious touch. Etched Roman numerals on a brass filigree dial are exclusive to this mantelpiece. Its pendulum movement offers triple chimes and can be seen in operation from three sides.

Tickets for the Follies are $10., which includes the on-stage party after the show, $7.50 for show tickets, and $5.00 for students and senior citizens. Tickets are available at the Zeiterion box office at 994-2900 or call Jimmy Fund members Anne Couto at 995-1270 or Carol Botelho at 996-2463.

hot jazz and cool blues as Freestone's Restaurant presents the legendary great, Dizzy Gillespie.

John Birks "Dizzy" Gillespie, known for his innovative jazz style, huge puffed-out cheeks and turned-up horn has charmed, entertained and energized audiences across the country and around the world. Freestone's and the Zeiterion are proud to present Dizzy Gillespie on his 67th birthday.

Accompanying Gillespie in concert will be Walter Davis, Jr. on piano, John Lee on bass, Nasyr Al-Khabyyr on drums and Sayyd Al-Khabyyr on sax.

Born October 21, 1917 in Cheraw, South Carolina, Gillespie demonstrated a strong interest in music at age 2½, encouraged by his father, a bricklayer and working pianist, who stored band instruments in his home. At age 13 he won a music scholarship to Laurinberg Institute in Laurinberg, North Carolina. He began playing trombone when he was 14 and switched to trumpet a year later.

One of his first real breaks came after his family moved to Philadelphia and he began listening to radio broadcasts from Harlem's Savoy Ballroom. Roy Eldridge, an idol of Gillespie's, was a featured trumpet player in the Teddy Hill Band and eventually Gillespie was chosen to occupy his chair. He went on to spend time in the big bands of Cab Calloway, Earl "Fatha" Hines, Billy Eckstein, Ella Fitzgerald, Benny Carter, Charlie

Barnet, Les Hite, Woody Herman and Lucky Millender.

But it was only in Hines' Band in 1943 that Gillespie was allowed to play his own chosen style. The style of course was the beginning of a new music form appropriately named "Bebop". Charlie "Yardbird" Parker was also moving musically in the same direction. When the two collaborated, despite opposition, "Bebop" began to blossom.

Gillespie, also accomplished on the conga drums and piano, has played in every major jazz festival including the Monterey and Newport Jazz Festivals. He has appeared on the Tonight show with Johnny Carson and has been a "Special Guest" on the Muppets.

At least 24 of Gillespie's albums are still in print. Those considered by critics to be his best include "Dizzy Gillespie and His Big Band", "Bahiana", "Big Four", "In The Beginning" and "The Development of American Artist".

Freestone's Restaurant, located in the New Bedford Waterfront District, is sponsoring the Dizzy Gillespie performance.

Debbie Seguin, co-owner of Freestone's, states, "Dizzy Gillespie represents a powerful source in jazz, one which we are eager to share with our community."

Tickets are $15., $13. and $11. Senior/Child tickets are $11. For tickets call the Zeiterion Theatre Box Office at 994-2900.

This concert is funded in part by the Massachusetts Council on the Arts and Humanities, a State Agency.

and Saturdays from 5:00 to 7:00 p.m. at the Theatre's grounds in Plymouth. Workshop members will perform the work on the Theatre's "Le Studio" stage on November 24th at 10:30 a.m. and November 25th at 1:00 and 3:00 p.m. Individuals of ages 8-16 are invited to register for this challenging workshop by calling the Theatre at 224-4888.

"Twelfth Night" is a romantic comedy about the hilarious relationships of Shakespeare's most lovable and colorful characters and their part in a marriage go-round kept spinning at a fast pace by Shakespeare's "mistaken identities". The fun and laughter never stop as the characters show their many passions to someone who is disguised as their "beloved counterpart". Workshop Director Anne Joelle stated, "This workshop will allow all the young actors to meet Shakespeare in a fun and lively manner portraying some of his most memorable and famous comedic characters": "Sir Toby", "Sir Andrew", "Malvolio", "Maria", "Feste, the clown", "Olivia" and "Viola". The focus of the workshop will be the study of characterization and the young actors' ability to develop in great detail the heart and souls of Twelfth Night's greatest characters.

Evening of Sholom Aleichem

"An Evening of Sholom Aleichem", the one-man show by Broadway's Murray Horwitz that recreates the stories of the great Yiddish writer, comes to Southeastern Massachusetts University on October 30th. The performance is set for 7:30 p.m. in the Recital Hall of the College of Visual and Performing Arts (Group VI) Building.

The humorist Sholom Aleichem, one of the most popular of all Yiddish writers, has been called "The Jewish Mark Twain". Most people know him for the stories that formed the basis of the musical "Fiddler on the Roof". Although he died in 1916, his stories are brought to life on stage by Horwitz, whom the New York Times referred to as "... the very essence of Sholom Aleichem". The Philadelphia Daily News described his portrayal of the author aa "A heart-warming, soul-touching, bittersweet experience".

Horwitz, best known as the co-author of "Ain't Misbehavin'", one of the longest running musicals in Broadway history, began his show business career as a clown for the Ringling Brothers Barnum and Bailey Circus. From there he moved into acting and direct-

Lecture: Amnesty International

How Amnesty International will now focus on the worldwide elimination of torture will be the subject of a lecture by one of its directors at Southeastern Massachusetts University on October 24th.

The talk by SMU's Professor Naseer Aruri, scheduled for 2 p.m. in Room 202 of the Group V Building, will highlight the celebration of United Nations Day by the University's United Nations Association, a student organization. Room 202 is a lecture room in the balcony of the SMU Auditorium.

Professor Aruri, a member of the faculty of SMU's political science department who was elected to a two-year term on Amnesty's board this past summer, will also describe Amnesty's overall goal -- the advancement of human rights in all countries around the world. Amnesty, recipient of the 1977 Nobel Peace Prize, is independent of all governments, political factions, ideologies, economic interests, and religious creeds. It has consultive status with the United Nations.

Born in Jerusalem, Palestine, Professor Aruri has been on the faculty at SMU since 1965 and served as chairman of the political science department from 1969-1977. He is
